ABOUT THE JOURNAL

The IIOAB Journal is an international open access Journal that deals with multidisciplinary sciences and technology. The Journal is having world class Editorial board and follows a rapid peer review to select high-quality articles and their fast publication. IIOABJ is indexed in several international indexing agencies. The IIOAB Journal's IndexCopernicus (IC) Value is 5.16 (2011) and Scientific Journal IF: 4.13 (2012).

ABOUT THE ISSUE

The special issue, will include full research papers, short communications and critical reviews on various topics dealing with recent advances in signal processing and networks. The subject areas include, but are not limited to

- Signal Processing In Bioinformatics
- Signal Processing from Image and Video Analysis
- Medical Signal Processing
- Gene Mapping via signal processing
- VLSI Applications of Signal Processing
- Embedded systems signal processing
- Gait Signal Processing
- Robot Signal Processing
- Mobile Signal Processing
- MANET, WANET
- Networks - P2P Applications
- Signal Processing in Networks

IMPORTANT DATES

- ✓ Submission deadline: September 30, 2016
- ✓ Review notification: October 30, 2016
- ✓ Final Version: Nov 15, 2016
- ✓ Publication: December 1, 2016
